

# INTERNAL MEDICINE

## COMPREHENSIVE REVIEW and UPDATE

June 11 – 16  
**2018**  
Cambridge, MA

This course sold out last year, and is one of the highest-rated Harvard Medical School CME courses. Early registration strongly advised.

- Comprehensive and evidence-based updates in Internal Medicine and all of its subspecialties
- Strategies to improve diagnosis and management of diseases seen in both ambulatory and inpatient settings
- Includes case-based instruction and daily Q&A sessions with Harvard Medical School's leading clinical faculty
- Expanded treatment options for Diabetes (including new technologies), Cardiovascular Disease, Targeted Cancer Therapies
- Advances in Immunotherapies and Biologics
- What's state-of-the-art for Cancer Screening and Prevention, Addiction Medicine, Heart Disease in Women, and more
- Participate in a live *NEJM* Clinicopathologic Conference (CPC) session

The 58th Annual Internal Medicine Update from the leading Clinical Faculty of Harvard Medical School and Massachusetts General Hospital

Under the direction of  
Katrina Armstrong, MD  
Rocío Hurtado, MD, DTM&H  
David Dudzinski, MD, JD

90+ sessions. Full agenda inside.

# Internal Medicine Comprehensive Review and Update

## Who Attends

- Internists
- Family Physicians
- Medical Specialists
- Nurse Practitioners
- Physician Assistants

...and other medical professionals who want a comprehensive review and update in Internal Medicine

This program is among the highest-rated Harvard Medical School CME courses

## Learning Objectives

Upon completion of this course, participants will be able to:

- Apply the most up-to-date and evidence-based recommendations for diagnosis and clinical management of the most relevant illnesses seen across Internal Medicine
- Incorporate new clinical and translational research findings across Internal Medicine and its subspecialties into more effective approaches in medical management across a wide array of clinical settings (ambulatory and inpatient)
- Identify the full breadth and depth of diagnostic and management strategies used in everyday clinical practice as guided by the medical literature with the aim to improve patient outcomes

## 2018 Program Highlights

- Comprehensive and evidence-based updates in Internal Medicine and all of its subspecialties
- Strategies to improve diagnosis and management of diseases seen in both ambulatory and inpatient settings
- Includes case-based instruction and daily Q&A sessions with Harvard Medical School's leading clinical faculty
- Expanded treatment options for Diabetes (including new technologies), Cardiovascular Disease, Targeted Cancer Therapies
- What's state-of-the-art in Immunotherapies, Biologics, Cancer Screening and Prevention, Addiction Medicine, Heart Disease in Women and more
- Participate in a live *NEJM* Clinicopathologic Conference (CPC) session

## Accreditation

### ACCREDITATION COUNCIL FOR CONTINUING MEDICAL EDUCATION

The Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Harvard Medical School designates this live activity for a maximum of 62.50 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

### AMERICAN ACADEMY OF FAMILY PHYSICIANS

This Live activity, *Internal Medicine Comprehensive Review and Update 2018*, with a beginning date of 6/11/2018, has been reviewed and is acceptable for up to 61 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### MOC STATEMENT

Successful completion of this CME activity enables the participant to earn up to 62.50 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points.

### RISK MANAGEMENT

This activity meets the criteria of Massachusetts Board of Registration in Medicine for 3.25 credits of Risk Management Study. This includes 1.75 Credits of Opioid Education and Pain Management Training and .75 Credits of End-of-Life Care Studies. Please check your individual state licensing board requirements before claiming these credits.

### NURSE PRACTITIONERS and REGISTERED NURSES

For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit*<sup>™</sup> issued by organizations accredited by the ACCME (Accreditation Council for Continuing Medical Education). We would also suggest that learners check with their state licensing board to ensure they accept reciprocity with *AMA PRA Category 1 Credit*<sup>™</sup> for re-licensure.

### PHYSICIAN ASSISTANTS

The National Commission on Certification of Physician Assistants (NCCPA) states that *AMA PRA Category 1 Credits*<sup>™</sup> are acceptable for continuing medical education requirements for recertification. We would also suggest that learners check with their state licensing board to ensure they accept reciprocity with *AMA PRA Category 1 Credit*<sup>™</sup> for re-licensure.

### CANADIAN ACCREDITATION

The Royal College of Physicians and Surgeons of Canada recognizes conferences and workshops held outside of Canada that are developed by a university, academy, hospital, specialty society or college as accredited group learning activities.

### EUROPEAN ACCREDITATION

Through an agreement between the American Medical Association and the European Union of Medical Specialists, physicians may convert *AMA PRA Category 1 Credit*<sup>™</sup> to an equivalent number of European CME Credits<sup>®</sup> (ECMECs<sup>®</sup>). Information on the process of converting *AMA PRA Category 1 Credits*<sup>™</sup> to ECMECs<sup>®</sup> can be found at: [www.eaccme.eu](http://www.eaccme.eu).

# Comprehensive Review and Update

## Course Description

This program provides a comprehensive and evidence-based review of the rapidly evolving changes impacting the practice of Internal Medicine. Led by Harvard Medical School's most distinguished clinical faculty, this course emphasizes recent advances, state-of-the-art clinical strategies, controversies, the latest guidelines, and improved options for screening, diagnosis and management of illnesses across Internal Medicine and all its subspecialties:

- Cardiovascular Disease
- Hematology and Oncology
- Gastroenterology and Hepatology
- Pulmonary and Critical Care
- Infectious Diseases
- Endocrinology
- Addiction Medicine
- Nephrology
- Rheumatology
- Women's Health
- Lifestyle Medicine
- Obesity Medicine
- Neurology and Psychiatry
- Dermatology
- Palliative Care

All updates are paired with specific practice recommendations to help you achieve optimal patient outcomes in both inpatient and outpatient settings, and to ensure you remain at the leading edge of Internal Medicine.

## Harvard Medical School Faculty

### Course Directors

**Katrina Armstrong, MD**, Jackson Professor of Clinical Medicine, Harvard Medical School  
Physician-in-Chief, Department of Medicine, Massachusetts General Hospital

**Rocio Hurtado, MD, DTM&H**, Assistant Professor of Medicine, Harvard Medical School  
Director, Mycobacterial Center of Excellence, Division of Infectious Diseases, Department of Medicine, Massachusetts General Hospital

**David Dudzinski, MD, JD**, Instructor in Medicine, Harvard Medical School  
Director, Cardiac Intensive Care Unit, Division of Cardiology, Department of Medicine, Massachusetts General Hospital and Associate Editor of NEJM, Case Records Series

### Harvard Medical School Faculty

### Guest Faculty

**Juan Carlos Ayus, MD**, Clinical Professor of Medicine, University of California Irvine

**Marwan Azar, MD**, Assistant Professor, Yale School of Medicine, Department of Infectious Diseases, Department of Internal Medicine, Yale Medicine

**Ronak Gandhi, PharmD, BCPS**, Clinical Professor, Northeastern University School of Pharmacy; Clinical Pharmacist, Infectious Diseases, Massachusetts General Hospital

**Russel Roberts, PharmD, FCCM, BCCCP**, Adjunct Clinical Professor, Northeastern University School of Pharmacy; Clinical Pharmacy Manager, Cardiology, Critical Care & Emergency Medicine Services, Massachusetts General Hospital

## Monday • June 11

6:00am	<b>Registration</b>
6:30am	Continental Breakfast
7:00am	<b>Course Introduction</b> Rocio Hurtado, MD, DTM&H and David Dudzinski, MD, JD
7:15am	<b>Acute Kidney Injury: What's New</b> Andrew Lundquist, MD, PhD
8:00am	<b>Venous Thromboembolic Disease: A Practical Approach</b> Samuel Goldhaber, MD
9:00am	<b>Oncologic Emergencies: Case-Based Session</b> Kerry Reynolds, MD
9:45am	<b>Kidney Stones for the Internist</b> Gary Curhan, ScD, MD
10:15am	Break (Refreshments provided)
10:30am	<b>Update in Management of Chronic Kidney Disease, including ESRD</b> David Steele, MBBCh
11:15am	<b>Renal Cases (Interactive Session)</b> Andrew Fervens, MD
12:00pm	<b>Dysnatremias: A Practical Approach</b> Juan Carlos Ayus, MD
1:00pm	Break for lunch*
2:00pm	<b>Scleroderma: A Practical Approach</b> Marcy Bolster, MD
2:20pm	<b>Systemic Lupus for the Internist</b> Robert Friday, MD, PhD
2:40pm	<b>Vasculitis in 2018: A Rational Approach</b> John Stone, MD, MPH
3:30pm	Break (Refreshments provided)
3:45pm	<b>Laboratory Interpretation in Rheumatology</b> Eli Miloslavsky, MD
4:15pm	<b>Update in Prostate Cancer for the Internist</b> Anthony D'Amico, MD, PhD
5:00pm	<b>Rheumatoid Arthritis: What's New</b> Mark Fisher, MD
5:30pm	<b>Hospital Medicine Update 2018</b> Melissa Mattison, MD
6:15pm	<b>Dermatology for the Internist</b> Daniela Kroshinsky, MD
7:00pm	<b>Daily Program Ends</b>

## Tuesday • June 12

6:30am	Continental Breakfast
7:00am	<b>Q &amp; A with the Professors</b> Renal & Rheumatology Faculty
7:30am	<b>Hyper and Hypothyroidism: What You Need to Know</b> Gilbert Daniels, MD
8:15am	<b>Update in Thyroid Nodules</b> Douglas Ross, MD
8:45am	<b>Adult Onset Diabetes Management: What's New in the Field</b> David Nathan, MD
9:30am	Break (Refreshments provided)
9:45am	<b>Recent Advances in Diabetes in 2018</b> Enrico Cagliero, MD
10:30am	<b>New Technologies in the Treatment of Diabetes</b> Steven Russell, MD, PhD
11:00am	<b>Practical Approach to the Patient with Menopausal Symptoms</b> Kathryn Martin, MD
11:30am	Break for lunch*
12:30pm	<b>Osteoporosis: A Practical Approach for 2018</b> Elaine Yu, MD, MMSc
1:15pm	<b>Cases in Endocrinology: Interactive Session</b> Carl Pallais, MD, MPH
1:45pm	<b>Allergy and Immunology Update</b> Paul Hesterberg, MD
2:30pm	<b>What's New in Sleep Apnea</b> James Mojica, MD
3:00pm	<b>Update in Sepsis 2018</b> Taylor Thompson, MD
3:45pm	Break (Refreshments provided)
4:00pm	<b>Lung Cancer Update</b> Ibiayi Dagogo-Jack, MD
4:45pm	<b>Asthma Diagnosis and Management in 2018</b> Fiona Gibbons, MD
5:15pm	<b>How to Approach Chronic Cough?</b> Kai Saukkonen, MD
6:00pm	<b>Update on COPD</b> David Kanarek, MD
6:45pm	<b>Screening for GYN-Related Cancers: What's New</b> Marcela Del Carmen, MD
7:15pm	<b>Daily Program Ends</b>

\*There are many convenient and varied lunch options within a short walking distance of the course.

Program changes/substitutions may be made without notice. To view the most up-to-date version of the course program, please visit the course website.

## Wednesday • June 13

6:30am	Continental Breakfast
7:00am	<b>Q &amp; A with the Professors</b> Endocrine & Pulmonary Faculty
7:30am	<b>C. diff Update: What's New in 2018</b> Elizabeth Hohmann, MD
8:15am	<b>Common Curbside Consults in ID</b> Paul Sax, MD
9:00am	<b>Diagnostics in ID: A Rational Approach</b> Marwan Azar, MD
9:30am	Break (Refreshments provided)
9:45am	<b>Pharmacokinetics and Dosing Considerations in Special Populations: Does One Size Fit All?</b> Ronak Gandhi, PharmD, BCPS and Russel Roberts, PharmD, FCCM, BCCCP
10:30am	<b>Antibiotics: What You Need to Know in 2018</b> Alyssa Letourneau, MD, MPH
11:15am	Transition break
11:30am	<b>Working Lunch: CPC New England Journal of Medicine</b> Eric Rosenberg, MD <i>Lunch provided</i>
12:30pm	<b>Pneumonia: A Practical Approach in 2018</b> Benjamin Davis, MD
1:15pm	<b>Mycobacterial Infections: Case-Based Session</b> Rocio Hurtado, MD, DTM&H
2:00pm	<b>Update in Immunizations and Travel Medicine</b> Edward Ryan, MD, DTM&H
2:45pm	Break (Refreshments provided)
3:00pm	<b>Skin/Soft Tissue Infections for the Internist</b> Sandra Bliss Nelson, MD
3:45pm	<b>HIV/AIDS Update for the Internist</b> Martin Hirsch, MD
4:30pm	<b>ID Cases: Panel and Interactive Session</b> Raj Gandhi, MD
5:15pm	<b>Infections in the Immunocompromised Host</b> Camille Kotton, MD
5:45pm	<b>Biologics Primer: The Care of the Patient on Immunomodulators</b> Hamed Khalili, MD, MPH
6:15pm	<b>Sexually Transmitted Diseases in 2018</b> Donna Felsenstein, MD
7:00pm	<b>Daily Program Ends</b>

## Thursday • June 14

6:30am	Continental Breakfast
7:00am	<b>Q &amp; A with the Professors</b> ID Faculty
7:30am	<b>Breast Cancer Screening and Prevention in 2018</b> Wendy Chen, MD, MPH
8:15am	<b>Breast Cancer Management: What's New in the Field</b> Irene Kuter, MD, DPhil
9:00am	<b>Coagulation I</b> David Kuter, MD, DPhil
9:45am	Break (Refreshments provided)
10:00am	<b>Anemia: A Case-Based Approach</b> David Sykes, MD, PhD
10:45am	<b>Coagulation II</b> David Kuter, MD, DPhil
11:30am	<b>Obesity Treatment in 2018: What's New</b> Lee Kaplan, MD, PhD
12:15pm	Break for lunch*
1:15pm	<b>Inflammatory Bowel Disease: An Update</b> Ashwin Ananthakrishnan, MBBS, MPH
2:00pm	<b>Viral Hepatitis Update</b> Jules Dienstag, MD
2:45pm	<b>Non-Alcoholic Fatty Liver Disease: An Emerging Threat</b> Kathleen Corey, MD, MPH
3:15pm	<b>Colon Cancer Update for the Internist</b> Daniel Chung, MD
3:45pm	Break (Refreshments provided)
4:00pm	<b>IBS: A Practical Approach to Treating Constipation and Diarrhea</b> Braden Kuo, MD
4:45pm	<b>What's New in Eosinophilic GI Disorders and Celiac Disease</b> John Garber, MD
5:15pm	<b>Update in Upper GI Tract Diseases for the Internist</b> Chin Hur, MD
6:00pm	<b>The Human Microbiome and Gut Health: New Frontiers</b> Ramnik Xavier, MD, PhD
6:30pm	<b>How to Approach Abnormal Liver Function Tests</b> Daniel Pratt, MD
7:00pm	<b>Update in GI Malignancies in 2018</b> Janet Murphy, MD
7:30pm	<b>Daily Program Ends</b>

## Friday • June 15

6:30am	Continental Breakfast
7:00am	<b>Q &amp; A with the Professors</b> Oncology & GI Faculty
7:30am	<b>Best Approaches in the Evaluation of Patients with CAD</b> Adolph Hutter, MD
8:15am	<b>Atrial Fibrillation and Ventricular Arrhythmias in 2018</b> Moussa Mansour, MD
9:00am	<b>Medical Management of CAD: What's New</b> Adolph Hutter, MD
9:45am	Break (Refreshments provided)
10:15am	<b>Exercise for Health: What's New in 2018</b> Meagan Wasfy, MD
10:45am	<b>Thoracic Aorta Disease Update</b> Eric Isselbacher, MD
11:15am	<b>Peripheral Arterial Disease: What You Need to Know</b> Michael Jaff, DO
11:45am	Transition break
12:00pm	<b>Working Lunch: Q &amp; A Session with Cardiology</b> Cardiology Faculty <i>Lunch provided</i>
12:45pm	<b>Hyperlipidemia Update</b> Mason Freeman, MD
1:30pm	<b>Acute Coronary Syndrome in 2018</b> Marc Sabatine, MD, MPH
2:15pm	<b>Update in Perioperative Evaluations for the Internist</b> David Dudzinski, MD, JD
3:00pm	<b>Valvular Heart Disease: What's New</b> Doreen Defaria Yeh, MD
3:30pm	Break (Refreshments provided)
3:45pm	<b>Update in Heart Failure</b> Christopher Newton-Cheh, MD
4:30pm	<b>Tobacco Dependence: Best Management Strategies</b> Nancy Rigotti, MD
5:00pm	<b>Heart Disease in Women: Update for Internists</b> Malissa Wood, MD
5:30pm	<b>Current State of Hypertension Guidelines</b> Randall Zusman, MD
6:15pm	<b>Palliative Care Update</b> Bethany-Rose Daubman, MD
7:00pm	<b>Daily Program Ends</b>

## Saturday • June 16

6:30am	Continental Breakfast
7:00am	<b>The Dizzy Patient: A Clear-Headed Approach</b> Martin Samuels, MD
8:00am	<b>Immunotherapy in Oncology: 2018 Update</b> Ryan Sullivan, MD
8:30am	<b>Headaches &amp; Stroke: Update for the Internist</b> Aneesh Singhal, MD
9:15am	Break (Refreshments provided)
9:30am	<b>Update on Depression and Anxiety</b> Guy Maytal, MD
10:30am	<b>Case Studies in Elderly Patients: Interactive Session</b> Fadi Ramadan, MD
11:15am	<b>Update in Addiction Medicine (panel)</b> Michael Bierer, MD and Sarah Wakeman, MD
12:15pm	<b>The Use of Opiates for Chronic Pain Management</b> Gary Brenner, MD, PhD
1:00pm	<b>Main Course Adjourns</b>

## Optional Add-On Workshop

### Optimizing Clinician Well-Being and Combating Burnout

1:45pm	<b>Helping Clinicians Thrive and Flourish: Defining the Possibilities for Growth and Improvement</b> Kerri Palamara, MD
2:15pm	<b>Evidence-Based Approaches in Combating Burnout and Fostering Well-Being</b> Meridale Baggett, MD and Kerri Palamara, MD
3:15pm	Break (Refreshments provided)
3:30 pm	<b>Connecting Passion with Purpose: Creating a Roadmap to Reach Your Full Potential in 2018</b> Suzanne Koven, MD and Kerri Palamara, MD

## Internal Medicine Comprehensive Review and Update 2018

(Course #732775-1802)

	Tuition	Register on or before April 30, 2018 (SAVE \$100)
<b>Physicians</b>	\$1,795	<b>\$1,695</b>
<b>Allied Health Professionals, Residents and Fellows</b>	\$1,695	<b>\$1,595</b>
<b>Optimizing Clinician Well-Being and Combating Burnout</b> <i>Saturday, June 16, 1:45 pm – 5:00 pm</i> <i>Seating is limited. Early registration is advised.</i>		\$165

Your tuition includes continental breakfast each day; morning and afternoon refreshment breaks; boxed lunch on Wednesday and Friday; and complimentary internet in the meeting room. All course participants receive an electronic syllabus containing all of the course materials. You can purchase a printed copy of these materials at the time of online registration for \$75, or for \$100 on site at the course (while supplies last).

### REGISTRATION, PAYMENT, CONFIRMATION, and REFUND POLICY

Registrations for Harvard Medical School CME programs are made via our secure online registration system. To register for this course, please visit the course website at [InternalMedicine.HMSCME.com](http://InternalMedicine.HMSCME.com).

At the end of the registration process, a \$5 non-refundable processing fee will be added to your registration, and you will have the choice of paying by check or credit card (Visa, MasterCard, or American Express). If you are paying by check (draft on a United States bank), the online registration system will provide you with instructions and a printable form for remitting your course fees by check. Postal, telephone, fax, and cash-payment registrations are not accepted. All fees shown in USD.

Upon receipt of your paid registration, an email confirmation from the HMS GCE office will be sent to you. Be sure to include an email address that you check frequently. Your email address is used for critical information, including registration confirmation, evaluation, and certificate. Refunds, less an administrative fee of \$75, will be issued for all cancellations received two weeks prior to the start of the course. Refund requests must be received by email. No refund will be issued should cancellation occur less than two weeks prior. "No shows" are subject to the full course fee and no refunds will be issued once the conference has started.

### VENUE

Royal Sonesta Boston  
40 Edwin H. Land Boulevard  
Cambridge, Massachusetts 02142  
617-806-4200

### ACCOMMODATIONS

A limited number of rooms\* have been reserved at the Royal Sonesta Boston until May 18, 2018. When calling the hotel, be sure to specify that you are enrolled in this activity to request a reduced room rate. You can also make your discounted reservation online by visiting [www.sonesta.com/boston](http://www.sonesta.com/boston) before May 18 and using group code: 608HMSINT, or by visiting the course website and clicking on the dedicated link on the Venue page.

*\*Please note that the discounted rooms may sell out before the deadline.*

**Please do not make non-refundable travel arrangements until you have received an email from our office confirming your paid registration.**
