

# INTERNAL MEDICINE

## COMPREHENSIVE REVIEW and UPDATE

June 10 – 15  
**2019**  
Cambridge, MA

This course sold out the last two years, and is one of the highest-rated Harvard Medical School CME courses. Early registration strongly advised.

Comprehensive and evidence-based updates in Internal Medicine and all of its subspecialties. Highlights include:

- Contemporary strategies for diagnosis and management of diseases seen in both ambulatory and inpatient settings
- Interactive clinical cases and daily Q&A sessions with leading Harvard Medical School faculty
- Expanded treatment options for Cardiovascular Disease, Diabetes, Thromboembolic Disease, Pneumonia, and Obesity
- Advances in Immunotherapies and Biologics for malignancies and inflammatory disorders
- State-of-the-art approaches for Cancer Screening and Prevention
- Updates in Addiction Medicine, Anticoagulation Strategies, and Clinical Approaches to Heart Disease in Women
- A live *NEJM* Clinicopathologic Conference (CPC) session
- NEW in 2019: Treating Obesity Workshop

The 59th Annual Internal Medicine Update from the leading Clinical Faculty of Harvard Medical School and Massachusetts General Hospital

Under the direction of  
Katrina Armstrong, MD  
Rocío Hurtado, MD, DTM&H  
David Dudzinski, MD, JD

80+ sessions. Full agenda inside.

Register at [InternalMedicine.HMSCME.com](http://InternalMedicine.HMSCME.com)

MASSACHUSETTS  
GENERAL HOSPITAL

## Who Attends

- Internists
- Family Physicians
- Medical Specialists
- Nurse Practitioners
- Physician Assistants

...and other medical professionals who want a comprehensive review and update in Internal Medicine

This program is among the highest-rated Harvard Medical School CME courses

## Learning Objectives

Upon completion of this course, participants will be able to:

- Apply the most up-to-date and evidence-based recommendations for diagnosis and clinical management of the most relevant illnesses seen across Internal Medicine
- Incorporate new clinical and translational research findings across Internal Medicine and its subspecialties into more effective approaches in medical management across a wide array of clinical settings (ambulatory and inpatient)
- Identify the full breadth and depth of diagnostic and management strategies used in everyday clinical practice as guided by the medical literature with the aim to improve patient outcomes

## 2019 Program Highlights

Comprehensive and evidence-based updates in Internal Medicine and all of its subspecialties. Highlights include:

- Contemporary strategies for diagnosis and management of diseases seen in both ambulatory and inpatient settings
- Interactive clinical cases and daily Q&A sessions with leading Harvard Medical School faculty
- Expanded treatment options for Cardiovascular Disease, Diabetes, Thromboembolic Disease, Pneumonia, and Obesity
- Advances in Immunotherapies and Biologics for malignancies and inflammatory disorders
- State-of-the-art approaches for Cancer Screening and Prevention
- Updates in Addiction Medicine, Anticoagulation Strategies, and Clinical Approaches to Heart Disease in Women
- A live *NEJM* Clinicopathologic Conference (CPC) session
- NEW in 2019: Treating Obesity Workshop

## Accreditation

### ACCREDITATION COUNCIL FOR CONTINUING MEDICAL EDUCATION

The Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Harvard Medical School designates this live activity for a maximum of 62.75 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

### AMERICAN ACADEMY OF FAMILY PHYSICIANS

This Live activity, Internal Medicine Comprehensive Review and Update 2019, with a beginning date of 06/10/2019, has been reviewed and is acceptable for up to 62.75 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### AMERICAN BOARD OF INTERNAL MEDICINE

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 62.75 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points.

### RISK MANAGEMENT

This activity meets the criteria of Massachusetts Board of Registration in Medicine for 3.25 credits of Risk Management Study. This includes 1.75 Credits of Opioid Education and Pain Management Training and .75 Credits of End-of-Life Care Studies. Please check your individual state licensing board requirements before claiming these credits.

### NURSE PRACTITIONERS and REGISTERED NURSES

For the purpose of recertification, the American Academy of Nurse Practitioners Certification Board and American Nurses Credentialing Center accept *AMA PRA Category 1 Credit*<sup>™</sup> issued by organizations accredited by the ACCME (Accreditation Council for Continuing Medical Education). We would also suggest that learners check with their state licensing board to ensure they accept reciprocity with *AMA PRA Category 1 Credit*<sup>™</sup> for re-licensure.

### PHYSICIAN ASSISTANTS

The National Commission on Certification of Physician Assistants (NCCPA) states that *AMA PRA Category 1 Credits*<sup>™</sup> are acceptable for continuing medical education requirements for recertification. We would also suggest that learners check with their state licensing board to ensure they accept reciprocity with *AMA PRA Category 1 Credit*<sup>™</sup> for re-licensure.

### CANADIAN ACCREDITATION

The Royal College of Physicians and Surgeons of Canada recognizes conferences and workshops held outside of Canada that are developed by a university, academy, hospital, specialty society or college as accredited group learning activities.

### EUROPEAN ACCREDITATION

Through an agreement between the American Medical Association and the European Union of Medical Specialists, physicians may convert *AMA PRA Category 1 Credit*<sup>™</sup> to an equivalent number of European CME Credits<sup>®</sup> (ECMECs<sup>®</sup>). Information on the process of converting *AMA PRA Category 1 Credits*<sup>™</sup> to ECMECs<sup>®</sup> can be found at: [www.eaccme.eu](http://www.eaccme.eu).

# Comprehensive Review and Update

## Course Description

This program provides a comprehensive and evidence-based review of the rapidly evolving changes impacting the practice of Internal Medicine. Led by Harvard Medical School's most distinguished clinical faculty, this course emphasizes recent advances, state-of-the-art clinical strategies, controversies, the latest guidelines, and improved options for screening, diagnosis, and management of illnesses across Internal Medicine and all its subspecialties:

- Cardiovascular Disease
- Gastroenterology and Hepatology
- Pulmonary and Critical Care
- Infectious Diseases
- Endocrinology
- Addiction Medicine
- Nephrology
- Rheumatology
- Women's Health
- Hematology and Oncology, including Immuno-Oncology
- Lifestyle Medicine
- Obesity Medicine
- Allergy and Immunology
- Neurology and Psychiatry
- Dermatology
- Palliative Care

All updates are paired with specific practice recommendations to help you achieve optimal patient outcomes in both inpatient and outpatient settings, and to ensure you remain at the leading edge of Internal Medicine.

## Harvard Medical School Faculty

### Course Directors

**Katrina Armstrong, MD**, Jackson Professor of Clinical Medicine, Harvard Medical School  
Physician-in-Chief, Department of Medicine, Massachusetts General Hospital

**Rocío Hurtado, MD, DTM&H**, Assistant Professor of Medicine, Harvard Medical School  
Director, Mycobacterial Center of Excellence, Division of Infectious Diseases, Department of Medicine, Massachusetts General Hospital

**David Dudzinski, MD, JD**, Instructor in Medicine, Harvard Medical School  
Director, Cardiac Intensive Care Unit, Division of Cardiology, Department of Medicine, Massachusetts General Hospital and Associate Editor of *NEJM*, Case Records Series

### Guest Faculty

**Juan Carlos Ayus, MD**, Clinical Professor of Medicine, University of California, Irvine

**Ronak Gandhi, PharmD, BCPS**, Clinical Professor, Northeastern University School of Pharmacy; Clinical Pharmacist, Infectious Diseases, Massachusetts General Hospital

**Guy Maytal, MD**, Assistant Professor of Clinical Psychiatry, Weill Cornell Medical College, Cornell University; Chief of Integrated Care and Psychiatric Oncology, Weill Cornell Medicine

**Fadi Ramadan, MD**, Assistant Professor of Medicine, Tufts University School of Medicine; Geriatric Medicine, Tufts Medical Center

**Russel Roberts, PharmD, FCCM, BCCCP**, Adjunct Clinical Professor, Northeastern University School of Pharmacy; Clinical Pharmacy Manager, Cardiology, Critical Care and Emergency Medicine Services, Massachusetts General Hospital

## Monday • June 10

6:00am	<b>Registration and Continental Breakfast</b>
7:00am	<b>Course Introduction</b> Katrina Armstrong, MD, Rocío Hurtado, MD, DTM&H, and David Dudzinski, MD, JD
7:15am	<b>Acute Kidney Injury: A Practical Framework</b> Leslie Fang, MD, PhD
8:00am	<b>Venous Thromboembolic Disease: A Practical Approach</b> Samuel Goldhaber, MD
9:00am	<b>Gout: Best Approaches in Diagnosis and Management</b> Zachary Wallace, MD, MSc
9:30am	<b>Deciphering Acid-Base, including RTAs</b> Andrew Lundquist, MD, PhD
10:00am	Break (Refreshments provided)
10:15am	<b>Update in Management of Chronic Kidney Disease, including ESRD</b> David Steele, MBBCh
11:00am	<b>Renal Cases: Interactive Session</b> Andrew Fenves, MD
11:45am	<b>Dysnatremias: A Practical Approach</b> Juan Carlos Ayus, MD
12:45pm	Break for lunch*
1:45pm	<b>The Human Microbiome and Gut Health: New Frontiers</b> Ramnik Xavier, MD, PhD
2:15pm	<b>Systemic Lupus for the Clinician</b> Robert Friday, MD, PhD
2:45pm	<b>Giant Cell Arteritis and Polymyalgia Rheumatica: Novel Approaches</b> John Stone, MD, MPH
3:30pm	<b>Laboratory Interpretation in Rheumatology</b> Sara Schoenfeld, MD
4:00pm	Break (Refreshments provided)
4:15pm	<b>Update in Prostate Cancer</b> Anthony D'Amico, MD, PhD
5:00pm	<b>Inflammatory Arthritis Syndromes: What's New</b> Sheila Arvikar, MD
5:30pm	<b>Hospital Medicine Update</b> Melissa Mattison, MD
6:15pm	<b>Dermatology for the Clinician</b> Daniela Kroshinsky, MD
7:00pm	<b>Daily Program Ends</b>

## Tuesday • June 11

6:30am	<b>Continental Breakfast</b>
7:00am	<b>Q &amp; A with the Professors</b> <i>Renal and Rheumatology Faculty</i>
7:30am	<b>Lung Cancer Update</b> Ibiayi Dagogo-Jack, MD
8:15am	<b>Adult Onset Diabetes Management: A Comprehensive Review</b> David Nathan, MD
9:00am	<b>Contemporary Management Strategies in Diabetes 2019</b> Enrico Cagliero, MD
9:45am	Break (Refreshments provided)
10:00am	<b>Mind Body Medicine: Evidence-Based Approaches</b> Darshan Mehta, MD, MPH
10:45am	<b>Hyper- and Hypothyroidism: What You Need to Know</b> Gilbert Daniels, MD
11:30am	<b>Practical Approach to the Patient with Menopausal Symptoms</b> Kathryn Martin, MD
12:00pm	<b>Osteoporosis: A Practical Approach for 2019</b> Elaine Yu, MD, MMSc
12:45pm	Break for lunch*
1:45pm	<b>Cases in Endocrinology: Interactive Session</b> Carl Pallais, MD, MPH
2:30pm	<b>Allergy and Immunology Update</b> Mandakolathur Murali, MD
3:15pm	<b>What's New in Sleep Apnea</b> James Mojica, MD
3:45pm	<b>Sepsis Update in 2019</b> Taylor Thompson, MD
4:30pm	Break (Refreshments provided)
4:45pm	<b>Asthma Diagnosis and Management in 2019</b> Aidan Long, MD
5:15pm	<b>How to Approach Chronic Cough</b> Kai Saukkonen, MD
6:00pm	<b>Update on COPD</b> David Kanarek, MD
6:45pm	<b>Update in Ovarian Cancer Screening and Genetic Risk of Gyn Malignancies</b> Marcela Del Carmen, MD
7:15pm	<b>Daily Program Ends</b>

\*There are many convenient and varied lunch options within a short walking distance of the course.

Program changes/substitutions may be made without notice. To view the most up-to-date version of the course program, please visit the course website.

## Wednesday • June 12

6:30am	<b>Continental Breakfast</b>
7:00am	<b>Q &amp; A with the Professors <i>Endocrine and Pulmonary Faculty</i></b>
7:30am	<b>C. diff Update: What's New in 2019</b> Elizabeth Hohmann, MD
8:15am	<b>Common Curbside Consults in ID</b> Paul Sax, MD
9:00am	<b>Neurology Updates</b>
10:00am	Break (Refreshments provided)
10:30am	<b>Delirium: Clinical Pearls in Detection and Management</b> Scott Beach, MD
11:00am	<b>Pneumonia: A Practical Approach in 2019</b> Benjamin Davis, MD
11:45am	<b>What's New in Immunizations and Travel Medicine</b> Regina Larocque, MD, MPH
12:30pm	Transition break
1:00pm	<b>Working Lunch: CPC New England Journal of Medicine</b> David Dudzinski, MD, JD (Lunch provided)
2:00pm	<b>Diagnostics in ID: A Rational Approach</b> Sarah Turbett, MD
2:30pm	<b>Skin/Soft Tissue Infections for the Clinician</b> Sandra Bliss Nelson, MD
3:15pm	<b>HIV/AIDS Update</b> Martin Hirsch, MD
4:00pm	Break (Refreshments provided)
4:15pm	<b>ID Cases: Panel and Interactive Session</b> Raj Gandhi, MD
5:00pm	<b>Antibiotics: What You Need to Know in 2019</b> Alyssa Letourneau, MD, MPH
5:45pm	<b>Infections in the Immunocompromised Host</b> Camille Kotton, MD
6:15pm	<b>Update in Sexually Transmitted Diseases</b> Donna Felsenstein, MD
7:00pm	<b>Daily Program Ends</b>

## Thursday • June 13

6:30am	<b>Continental Breakfast</b>
7:00am	<b>Q &amp; A with the Professors <i>ID Faculty</i></b> Moderated By Rocío Hurtado, MD, DTM&H
7:30am	<b>Breast Cancer Screening and Prevention in 2019</b> Katrina Armstrong, MD
8:15am	<b>Breast Cancer Management: What's New in the Field</b> Irene Kuter, MD, DPhil
9:00am	<b>Coagulation I</b> David Kuter, MD, DPhil
9:45am	Break (Refreshments provided)
10:00am	<b>Anemia: A Case-Based Approach</b> David Sykes, MD, PhD
10:45am	<b>Coagulation II</b> David Kuter, MD, DPhil
11:30am	<b>What You Need to Know about Immunotherapies in Oncology</b> Kerry Reynolds, MD
12:15pm	<b>Obesity Treatment in 2019: What's New</b> Lee Kaplan, MD, PhD
1:00pm	Break for lunch*
1:45pm	<b>Inflammatory Bowel Disease: An Update</b> Ashwin Ananthakrishnan, MBBS, MPH
2:30pm	<b>Viral Hepatitis Update</b> Jules Dienstag, MD
3:15pm	<b>Non-Alcoholic Fatty Liver Disease: An Emerging Threat</b> Kathleen Corey, MD, MPH
3:45pm	<b>IBS: A Practical Approach to Treating Constipation and Diarrhea</b> Braden Kuo, MD
4:30pm	Break (Refreshments provided)
4:45pm	<b>What's New in Eosinophilic GI Disorders and Celiac Disease</b> John Garber, MD
5:15pm	<b>Update in Upper GI Tract Diseases</b> Kyle Staller, MD, MPH
6:00pm	<b>Colon Cancer Screening Update in 2019</b> Daniel Chung, MD
6:30pm	<b>Clinical Pearls: How to Approach Abnormal Liver Function Tests</b> Daniel Pratt, MD
7:00pm	<b>Update in GI Malignancies in 2019</b> Janet Murphy, MD
7:30pm	<b>Daily Program Ends</b>

## Friday • June 14

6:30am	<b>Continental Breakfast</b>
7:00am	<b>Q &amp; A with the Professors <i>Oncology and GI Faculty</i></b>
7:30am	<b>Best Approaches in the Evaluation of Patients with CAD</b> Adolph Hutter, MD
8:15am	<b>Atrial Fibrillation and Ventricular Arrhythmias in 2019</b> Moussa Mansour, MD
9:00am	<b>Medical Management of CAD: What's New</b> Adolph Hutter, MD
9:45am	Break (Refreshments provided)
10:00am	<b>Update in Heart Failure</b> Christopher Newton-Cheh, MD
10:45am	<b>Thoracic Aorta Disease Update</b> Eric Isselbacher, MD
11:15am	<b>Peripheral Arterial Disease: What You Need to Know</b> Michael Jaff, DO
11:45am	Transition break
12:15pm	<b>Working Lunch: Q &amp; A Session with Cardiology <i>Cardiology Faculty</i></b> Moderated by David Dudzinski, MD, JD (Lunch Provided)
1:00pm	<b>Hyperlipidemia: Latest Concepts</b> Mason Freeman, MD
1:45pm	<b>Acute Coronary Syndrome in 2019</b> Marc Sabatine, MD, MPH
2:30pm	<b>Current State of Hypertension Guidelines</b> Randall Zusman, MD
3:15pm	<b>Valvular Heart Disease: What's New</b> Doreen Defaria Yeh, MD
3:45pm	Break (Refreshments provided)
4:00pm	<b>Update in Perioperative Evaluations for the Clinician</b> David Dudzinski, MD, JD
4:45pm	<b>Tobacco Dependence: Best Management Strategies</b> Nancy Rigotti, MD
5:15pm	<b>Heart Disease in Women: Clinical Pearls</b> Malissa Wood, MD
5:45pm	<b>Exercise for Health: What's New in 2019</b> Meagan Wasfy, MD
6:15pm	<b>Palliative Care Update</b> Bethany-Rose Daubman, MD
7:00pm	<b>Daily Program Ends</b>

## Saturday • June 15

6:30am	<b>Continental Breakfast</b>
7:00am	<b>Headaches and Stroke: Update for the Clinician</b> Aneesh Singhal, MD
7:45am	<b>Mycobacterial Infections</b> Rocio Hurtado, MD, DTM&H
8:30am	<b>Case Studies in Elderly Patients: Interactive Session</b> Fadi Ramadan, MD
9:15am	Break (Refreshments provided)
9:30am	<b>Update on Depression and Anxiety in 2019</b> Guy Maytal, MD
10:30am	<b>Pharmacokinetics and Dosing Considerations in Special Populations: Does One Size Fit All?</b> Ronak Gandhi, PharmD, BCPS and Russel Roberts, PharmD, FCCM, BCCCP
11:15am	<b>The Use of Opiates for Chronic Pain Management</b> Gary Brenner, MD, PhD
12:00pm	<b>Update in Addiction Medicine</b> Michael Bierer, MD and Sarah Wakeman, MD
1:00pm	<b>Main Course Concludes</b>

## Optional Add-On Workshop

**Treating Obesity in Internal Medicine: Strategies and Tools to Optimize Patient Care and Outcomes**

1:45pm	<b>The Relevant Science of Obesity: Setting the Stage for Greater Success</b> Lee Kaplan, MD, PhD
2:20pm	<b>Addressing Obesity in Internal Medicine: Enhancing Clinical Value, Preserving Operational Efficiency</b> Lee Kaplan, MD, PhD
2:55pm	<b>Lifestyle-Directed Anti-Obesity Therapy: Optimizing Engagement, Improving Outcomes</b> Lee Kaplan, MD, PhD
3:30pm	Break (Refreshments provided)
3:45pm	<b>Pharmacological Treatment of Obesity: Who, What and How?</b> Lee Kaplan, MD, PhD
4:20pm	<b>Surgical Treatment of Obesity: Who, What and When?</b> Lee Kaplan, MD, PhD
5:00pm	<b>Workshop Ends</b>

## Internal Medicine Comprehensive Review and Update 2019

(Course #732775-1902)

	Tuition
<b>Physicians</b>	\$1,845
<b>Allied Health Professionals, Residents and Fellows</b>	\$1,745
<b>Treating Obesity in Internal Medicine: Strategies and Tools to Optimize Patient Care and Outcomes</b> <i>Saturday, June 15, 1:45pm – 5:00pm</i> <i>Seating is limited. Early registration is advised.</i>	\$165

### Your Course Tuition Includes:

- Continental breakfast each day
- Morning and afternoon refreshment breaks each day
- Two boxed lunches: one on Wednesday and one on Friday
- Complimentary Internet in the meeting room
- Course materials as noted in “Course Materials” section on right

### Course Materials

All participants of this program:

- Receive a USB (no additional fee) containing course materials
- Have the option to purchase one printed syllabus when you register for this program (\$75) or on site (\$100, by check or money order).
  - There will be a very limited supply of the printed materials for sale on site and only available on a first-come, first-served basis with payment by check or money order.
  - If you would like a printed copy of the syllabus, we strongly recommend that you purchase it in advance, when you register for this program.

**PLEASE NOTE:** The USB and printed offerings include most, but not all, course materials. Both resources reflect the status of course materials at the time of their production and may not include materials for select sessions.

### VENUE

Royal Sonesta Boston  
40 Edwin H. Land Boulevard  
Cambridge, Massachusetts 02142  
617-806-4200

### ACCOMMODATIONS\*

A limited number of rooms have been reserved at the Royal Sonesta Boston until May 17, 2019. When calling the hotel, be sure to specify that you are enrolled in this activity to request a reduced room rate. You can also make your discounted reservation online by visiting [www.sonesta.com/boston](http://www.sonesta.com/boston) before May 17 and using group code: 0607HMSINT, or by visiting the course website and clicking on the dedicated link on the Venue page.

*\*Please book early, as the discounted rooms may sell out before the deadline.*

**Please do not make non-refundable travel arrangements until you have received an email confirming your paid registration.**

### REGISTRATION, PAYMENT, CONFIRMATION, and REFUND POLICY

Registrations for Harvard Medical School CME programs are made via our secure online registration system. To register for this course, please visit the course website at [InternalMedicine.HMSCME.com](http://InternalMedicine.HMSCME.com).

At the end of the registration process, a \$10 non-refundable processing fee will be added to your registration, and you will have the choice of paying by check, credit card (Visa, MasterCard, or American Express), or wire transfer in USD. If you are paying by check (draft on a United States bank) or by wire transfer, the online registration system will provide you with instructions for remitting your course fees. Postal, telephone, fax, and cash-payment registrations are not accepted. All fees shown in USD.

Upon receipt of your paid registration, an email confirmation will be sent to you. Be sure to include an email address that you check frequently. Your email address is used for critical information, including registration confirmation, evaluation, and certificate. Refunds, less an administrative fee of \$75, will be issued for all cancellations received two weeks prior to the start of the course. Refund requests must be received by email. No refund will be issued should cancellation occur less than two weeks prior. “No shows” are subject to the full course fee and no refunds will be issued once the conference has started.
